

- 1.** Be sure that your data is safe with us. Below we present, in accordance with the Regulation 2016/679 of the European Parliament and Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and the free movement of such data as well as the repeal of Directive 95/46/WE (General Data Protection Regulation, hereinafter RODO), the manner of their use, ensuring our clients peace and security. You will also find information on the use of cookies on our website.
- 2.** The owner and administrator of www.licentive.com and www.licentive.io is ValueTank Sp. z o.o., with its registered office in Warsaw, ul. Al. Jerozolimskie 134, 02-305 Warsaw, entered into the National Court Register under KRS number 0000247491, NIP 5252350854, REGON: 140343912 In matters related to the processing and protection of personal data, a contact point in the form of an e-mail address has been designated: info@valuetank.com Contact in the indicated cases is also possible in the form of traditional correspondence to the address of the headquarters with the inscription: "Personal Data Protection" and in person at the company's headquarters.
- 3.** When we say "personal data" we mean primarily: first and last name, telephone number, e-mail address (e-mail), and in the case of companies also the Central Registration and Information on Business number, address of the registered office, correspondence address, NIP and REGON numbers. This data comes directly from you or our clients who you are an employee or associate. We received them in connection with establishing and maintaining mutual business relations. The recipients of said personal data will be our employees and co-workers, as well as entities that help us provide services at the highest level. These may include entities providing telecommunications, courier, postal, marketing, auditing, legal or IT services.
- 4.** The personal data you provide (or the data received from contractors) will be processed for the following purposes:
 - execution and performance of a contract until its formal termination and settlement.
 - direct marketing over the course of the contract (until its termination or submission of objections), as well as to establish new and maintain existing business relationships by providing information about the current offer, promotions, services, and for the purpose of sending newsletters.
 - financial and accounting - processing necessary to comply with the provisions of tax law and will be carried out for a period of time determined by relevant legal regulations.
 - determination, investigation and defense of claims - for a period of limitation of claims resulting from a contract.
 - creating statistics, reports and planning development all for the internal needs of the ValueTank company, for the period necessary to execute the above.
- 5.** You have the right to access your personal data, the right to request correction, deletion or limitation of processing of such data, the right to transfer it and withdraw your consent at any time. To withdraw your consent, you can contact our head office customer service or send an e-mail to: info@valuetank.com. You also have the right to lodge a complaint to the President of the Office for Personal Data Protection.
- 6.** Provision of your personal data is fully voluntary, however failure to do so will result in our inability to provide services listed above.
- 7.** The website uses session cookies (which expire as soon as the browser is closed) and persistent cookies (stored on the user's device and recognizing you when you visit the site again). When you first visit the site you are informed about cookies and asked for permission to process them.
- 8.** You can delete cookies at any time from your browser. However, deleting them may result in the site not working properly. Information on how to do this can be found in the "Help" section of your web browser as well as its settings or preferences.
- 9.** Cookies are used to ensure the proper operation of the website, as well as for analytical, social and marketing purposes, including:
 - website statistics,
 - providing the possibility of logging in and maintaining the session, i.e. avoiding the need to log in again,
 - recognition of user's device,
 - researching user preferences to adjust services and products.
